Important highlights from our meeting:

- New Members- We would like to thank Matthew Ajluni, D.O. from IHA After Hours Care, Bashar Okka, M.D., and Debbie Pelker from Independence Urgent Care for attending the meeting.
- PO Formation- The board and members discussed the formation of a PO in depth on the February 6th meeting. The attendees came to an agreement believing that the association should look further into the formation of an urgent care PO. The association will be bringing in an attorney from Kerr Russell to present on the formation of a PO and the possibility of forming our own at the April meeting.
